Scenario 2

An assistant director is chairing a team meeting. The annual workforce report is being presented by a colleague. The equality section refers to the fact that 30% of the workforce are Black but 70% of disciplinary cases are on Black staff. The service manager said to the workforce manager: *"My understanding is that in the charity sector we are not alone in these patterns, it seems to me that it's nothing in particular that we are doing"*.

Scenario 3

A trustee who is a Christian of Caribbean background was on an interview panel for a senior manager. During the decision-making discussion about the candidates, whilst referring to an internal Pakistani Muslim candidate she said *"I'm not sure about him, I've dealt with him before. He is known to blow things up (she then winked) out of proportion"*.

Scenario 4

A director in a charity was in conversation with a CEO of another charity (Hearts) about a meeting that he had attended with commissioners. The director, when talking about the contributions in the meeting by a Black African senior manager of the Hearts charity said: *'Sami was very good by the way, very professional'*.
