**Scenario 1**

In a conversation preparing a foster carer to receive a child with a Black Jamaican family, a white social worker commented that there are some family member who might want contact and said, *“You’re going to have to weed out... (then winked and smiled)... the distractions they come with, and really focus on the needs of <<the child>>”*.

**Scenario 2**

A young woman, Steffi, reports to her foster carer that on the minibus coming back from a school football a team mate reminded everyone that they were invited to her birthday party with a ‘plus one’. After the minibus returns the party host speaks privately to Steff, who is in a same sex relationship and says *“I didn’t want to embarrass you on the bus but some of my relatives will be there and they will probs be funny about you being, you know....and you may find it better to come on your own or just give it a miss”*.

**Scenario 3**

A second child joins a white foster carer. He is Pakistani Muslim by way of background. The first child, who has been there for a while is Black Caribbean said to the foster carer, *“I’m not being funny, yeah but ever since **he** moved in, have you seen this place? It’s like a bomb hit it.”* The foster carer laughed and said *“OMG, you’re terrible”*.

**Scenario 4**

One Friday evening a foster carer planned a pizza and film night. Both the young woman and young man in the home were huge football fans and played in teams and had been talking about Diego Maradona. The foster career had found a biographical film and suggested they all watched it and explained that the film would include a bit of subtitles. In reference to a previous conversation about the the young woman having dyslexia the you man said *“Is there any point watching a film with subtitles? I thought you said she can’t even read properly.”*
